# Report of the Board of Directors

and Management Year ending December 31, 2015

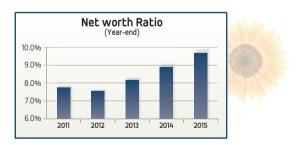

#### Dear Members,

We are pleased to present the 2015 Annual Report, which reflects another successful year for your credit union.

Our overall financial strength is measured in large part by the capital-to-assets ratio, referred to as the net worth ratio. During the year, First Basin's net worth ratio improved from 8.8% to 9.6% of assets, demonstrating your Board of Directors' commitment to consistently improve the safety and soundness of the institution.

The chart below illustrates the positive growth over the past five years.

First Basin's regulatory authority has determined that a ratio in excess of 7.0% represents a "well-capitalized" position, thus the current net worth position is considered healthy. In addition, an annual audit performed by Doeren Mayhew and an examination conducted by the Texas Credit Union Department both resulted in a determination that the credit union is in compliance with applicable laws, rules, and regulations, and that the policies, procedures, and internal control environment at First Basin ensures that the credit union is operating in a safe and reliable manner.

In addition to an improved net worth ratio, loan receivables at First Basin increased \$8.1 million to \$120.2 million at year-end. As in 2014, deposit growth was limited to improve the net worth ratio. As a result, total deposits in 2015 increased \$1.0 million to close at \$183.1 million.

Coupled with our financial accomplishments in 2015, First Basin introduced new products and services that have been well received – proprietary credit cards along with a new online banking system and mobile App. The First Basin Premier and Classic credit cards are considered "Best of Breed", with market-competitive interest rates and reward programs. Our new online banking system and App enables our members to bank with us anyplace, anytime. The online banking platform offers many features and superior functionality, essentially putting a branch office that never closes at your fingertips.

In 2015 First Basin continued our commitment to the communities we serve. Whether through monetary support or volunteer work, First Basin participated with more than 70 community organizations or charitable events, including the American Cancer Society, Junior Achievement, Children's Miracle Network, Keep Andrews/Odessa/Midland Beautiful, Education Foundation, Leadership Odessa/Midland, Meals on Wheels, Midland Children's Rehabilitation Center, Permian Basin Rehabilitation Center Rehabil

We are especially proud of our work with Junior Achievement. The cause for the lack of financial literacy among young adults can be traced to a lack of financial education. To minimize this issue, First Basin made a substantial commitment of staff volunteers and taught a Personal Finance course to more than 100 Midland Lee High School students. Expansion of the Junior Achievement program will include courses being facilitated by First Basin Credit Union at all Midland and Odessa high schools in 2016.

As a result of our community involvement, we are proud to report that First Basin was selected by the Permian Basin Chapter of the Association of Fund Raising Professionals as the Outstanding Philanthropic Business for 2015. First Basin was also voted Best Loan Company and Best Customer Service in the Odessa American's "Reader's Choice" Best of the Permian Basin awards, and received a Silver classification for credit unions in the "Readers Choice Awards" presented by the Midland Reporter-Telegram.

As always, we must thank you for your continued support. We strive year after year to not only improve the financial well-being of the entire First Basin membership but also to deliver products and services to make life easier. On behalf of the board, management, and entire First Basin staff, we want to thank you once again for making First Basin Credit Union your financial institution. We wish you a healthy and prosperous 2016.

Sincerely,

Julian Beseril
Chairman of the Board

Shem Culpepper President & CEC

## Report to Membership

First Basin Credit Union appreciates the commitment and dedication of the Board of Directors and presents them along with the expiration dates of their terms.

Julian Beseril	2/2016
Shem Culpepper	2/2018
Sam Gonzalez	2/2017
Rebecca Marler	2/2016
Jerome Reed	2/2018
Gary Windham	2/2017

In 2015 Director's meeting fees were \$300.00 per meeting and will be increased to \$400.00 in 2016. Since the last annual report, there have been no changes to the senior management staff of the credit union.

As we begin our 51st year of service, we renew our dedication to deliver excellent member service, products and services that accommodate your needs, competitive loan and dividend rates, and convenient branch and ATM locations.
